

INFORMATION REGARDING WORK WITH CHILDREN **AT THE DAYCARE CENTER**

The team has the option to work with the children in the daycare during some of your service time at the Abraham Project. The classes are considered English workshops and are a great opportunity to minister to the kids while immersing the kids in the English language.

These are the current times and ages of the children in the daycare classes:

9:00am-9:30am (2 to 3 year olds) Aula Estrella, *between 15-20 children*

9:30am-10:00am (3 to 4 year olds) Aula Mina de Tesoro, *between 15-20 children*

10:00am-10:30am (4 to 6 year olds) Aula Exploradores, *between 15-20 children*

10:30am-11:00am (7 to 9 year olds) Investigadores I, *between 20-25 children*

1:00pm-1:30pm (7 to 12 year olds) Investigadores II, *between 20-25 children*

In the English classes at the daycare, you can bring a craft to make, play games, sing songs, paint, color, etc. please bring all materials that you will need, (don't worry about a CD player-we have one).

Please speak English and assume that you will not have a translator in the class with you! 😊

The kids are learning very basic English. (The most important thing is to have fun with them). Please come with indoor activities because we are in rainy season. If it is not raining, you might have the opportunity to do some outdoor games with the 7-12 year olds.

Groups of 4-5 team members can work with each class and you may do a rotation among the team if you wish.

Let us know if you have any questions.
